18

Tom & Co. seems to be very popular in France. The leading Belgian specialist chain opened several new stores in 2016.

22

Europe's leading pet store chain Fressnapf commissioned its new logistics centre in Duisburg's Logport, covering an area of 31 000 m².

26

Sales and tonnage figures for litter products are rising slightly. Consumer demand for organic and lighter products in particular is considerable.

50

Speciality retailers across Europe and America are benefiting from the consumer trend towards feeding dogs and cats with raw food products.
